

LuceAir / Earl Luce
 35 Beverly Dr. Brockport, NY 14420
 585-637-5768

LuceAir agrees to fabricate the following Experimental Aircraft components for the LuceAir (Wittman) Buttercup:

(1) Complete (welded) fuselage assembly with vertical fin, including the following standard components; rudder framework Price: \$8500.00 USD _____

The fuselage assembly contains a completely welded fuselage, manufactured from 4130 alloy steel and mild steel. The fabrication method is welding and brazing with an oxy-acetylene gas torch. No rust prevention or finishing methods will be taken prior, during or after fabrication (no primer or zinc chromate, no fabric covering).

Optional Components	Price in USD	Check to order
Engine Mount Continental O-200 for tail dragger. (The landing gear legs RV-6 must be supplied by the customer):	\$1000.00	
Fuselage Tabs:	\$4.00 ea	
Rudder Pedals (including mounting bushings and brake pedals): Installed:	\$345.00 \$410.00	
Control Stick complete with trim assembly with part 1 of elevator push rod: with part 2 of long push rod:	\$475.00 \$225.00	
Flap Handle: Mounted:	\$225.00 \$275.00	
Seat Frames (qty 2):	\$490.00	
Push rods – control surface rods (qty 7):	\$315.00	
Rudder Fairleads – control cable routings without cables:	\$25.00 ea	
Stringers (qty 8):	\$480.00	
Lift struts – complete set with rear adjustable: Mounted:	\$1500.00 \$1800.00	
Wing attach fittings – fronts installed (welded): Rear fittings – not installed:	\$155.00 ea \$100.00 ea	
Windshield frame – specify type:	\$375.00	
Tail spring / wheel – with RV-6 assembly full swivel with tire:	\$430.00	
Door frames (qty 2):	\$550.00	
Door latch (qty 2):	\$150.00	
Stabilizer framework – including hinges (one pair):	\$550.00	
Elevator framework – including hinges (one pair):	\$490.00	
Fuel Tank (including fittings):	\$400.00	
*All NYS residents must pay an additional sales tax of 8% ~ Prices effective February 2013 ~	*TOTAL:	_____

The above options are priced based upon material and labor costs and are subject to change due to cost of materials. The options desired must be ordered along with the fuselage assembly to ensure proper fit. Any option ordered after delivery of the fuselage assembly has no guarantee of fit in previously ordered fuselage assembly. The fuselage fabrication will start after receipt of a deposit equal to or greater than one half of the total agreed upon price, and will be delivered after receipt of the remainder of the agreed upon price. Lead-time for fuselage fabrication is approximately 2 months from receipt of deposit.

This order will be completed after the customer requests the above options by placing a check mark next to the item, signs, and returns this order to LuceAir, 35 Beverly Dr., Brockport NY 14420.
